

COMMUNITY VOLUNTEER INCOME TAX PROGRAM

The Community Volunteer Income Tax Program is made possible by people who donate their time and skills.

Like all reputable tax preparers, we make every effort to prepare the best, most accurate tax return for you. However, due to the high demand for our services we must limit the preparation of returns to those who meet our income guidelines. Returns with simple tax situations are accepted for clients with the following income levels: Income tax is filed the day of appointment so you need to be present.

Individual: **\$30,000 or less**

Married or Common law couple: **\$40,000 or less**

Single Parent with 1 child: **\$35,000 or less**

Add **\$2,500 per additional child**

Interest income limited to **under \$1,000**

****Returns with Capital Gains, Bankruptcy or Self Employment/Rental or Business income cannot be completed by our Volunteers. Returns for deceased taxpayers are not completed at our clinics**
