

# Bruce Grey 2019 Snapshot

## - Housing & Homelessness -

In 2019, 11% (583) of the total 5,474 needs presented by residents of Bruce and Grey Counties were related to housing and homelessness. The most commonly presented housing need was housing search and information, meaning that these people were seeking assistance to find appropriate housing options and in most cases were referred to local housing resource centres to assist with finding housing. 211's Community Navigators conduct further needs assessments which usually result in referrals to additional community supports.
