VON Foot Care Services

The Victorian Order of Nurses (VON) Simcoe County Branch and their volunteers have been providing high quality foot care services in client homes and clinic settings for many years. VON Nurses have "Advanced Foot Care" Certificates and employ best practice guidelines in service provision, which includes assessment, care and advice for clients, including individuals with diabetes who require specialized care. Foot Care includes clipping nails, treating corns, calluses, ingrown nails, thickened nails and preventative care as well as referral to other health professionals as indicated.

In-Home Services:

A VON nurse visits the client at home to assess the individual's general health, provide expert foot care and counsel clients on how to care for their feet themselves. Veterans welcome - Service paid directly by Veteran's Affairs Canada. A Doctor's prescription is required.

Diabetic Foot Care Guidelines:

- Inspect your feet daily
- Wash your feet in lukewarm (not hot!) water
- Never walk barefoot
- Keep your feet warm and dry
- Moisturize your feet but not between your toes.
- Get periodic foot exams
- Take care of your diabetes

Fee for Services:

Foot Care Clinics \$35.00
In-Home Services..... \$45.00
Payment Options: Cash or Cheque

Contact Information:

To set up either a foot care appointment, or for other inquiries about the foot care services, please contact 705-737-5044 ext 222 or
